VIOSO Nano 6

All-in-one content playback, warping and edge blending solution

- **All-in-one solution - Content playback, warping and edge blending from one box**
- **Compact and powerful - Smaller footprint than an A4 sheet of paper**
- **Multi-channel - 4 video outputs for connection of display devices**
- **Simple to use - Supports USB camera for auto-blending of projectors**

The VIOSO Nano 6 has a smaller footprint than an A4 sheet of paper, but incorporates a highly powerful feature set including Intel i5 processor and NVIDIA QUADRO graphics. It is ideal for a multi-projector installation where powerful edge-blending, warping and content playback are required from one compact package.

The VIOSO Nano 6 features mini-display port output connectors. Adapters are available from third party providers and are not included as standard.

Specifications

UPC: 796435 09 185 9, EAN: 5055387667389, Colour: Black

General	
Dimensions (W x D x H) mm	180.3 x 182.9 x 35.6
Power supply	100~240v 1.5A 50~60hz
