

ZH400USTi

Laser 1080p Ultra Short Throw Interactive Projector

- Bright Full HD 1080p laser interactive projector 4000 ANSI lumens
- Ultra short throw lens 100" image from less than half a metre away
- 30,000 hours maintenance-free laser light source
- Dust resistant Independently tested, IP5X certification for total reliability

The ZH400USTi is powered by long-lasting, low maintenance DuraCore laser light source. The lamp-less and filter-free design vastly reduces running costs for a low total cost of ownership.

Weighing only 5.6kg, this interactive projector can be mounted just centimetres away from a wall or surface and can project an image size of over 100 inches (254cm).

Supporting 24/7 operation and versatile orientation, the ZH400USTi is a flexible, powerful and bright ultra short throw projector which makes for a superb signage solution where space or accessibility can be limited, such as shop windows or retail displays.
