

DE-9120ETT

120" diagonal 16:9 electric tab tension screen

- **120" diagonal 16:9 electric tab tension screen**
- **4K PS HD flexible matte white fabric (ISF certified)**
- **Aluminium case with in-site internal I/R and tubular motor**
- **Unique tension adjustment system**

A premium easy to operate electric tab tension housed in an elegant white curved aluminium casing.

This screen has a unique tension adjustment system that keeps the screen surface tensioned at every point to ensure a picture-perfect flat screen experience

It can also be controlled via the IR remote or automatically by the 12V trigger or RS232.

Supplied with floating "L" brackets, it can be easily mounted directly to a wall or ceiling. Great for business and education use where a blank wall is unavailable or not flat.

It also has the ability to be suspended from the ceiling. Great for rooms with high ceilings such as churches.
