

## HD29HST

Go big! Bright short throw home entertainment projector

- Lights on viewing 4000 lumens
- Short throw lens 100" image from just over a metre away
- 4K UHD and HDR compatible
- Lightning-fast gaming projector Supports 1080p 120Hz with 8.4ms response time

Project a 100" image from just over a metre away with the bright HD29HST short throw projector.

Feel the action and experience every moment on the big screen for immersive gaming, live sports and movies.

Convenient and easy to set up this compact high brightness projector is ideal for well-lit environments so sports fans can enjoy live action with family or friends with the lights on. Boasting HDR and Amazing colour technology, it delivers accurate true-to-life colour reproduction for movie lovers. It also supports 1080p 120Hz for low input latency of 8.4ms – perfect for games that rely on rapid reactions.

An integrated speaker provides powerful sound and two HDMI inputs enable connection to multiple devices such as set-top boxes, games consoles and HDMI dongles. Weighing less than 2.5kg, you can take it round to a friend's house with the optional carry bag for a sports event, movie night or games marathon anywhere with a flat surface.
