

## OWM1000

# Ultra Short Throw Wall Mount

### Key Features

- Sturdy Design
- Adjustable
- Easy to set up
- Cable management
- Security against theft
- Projection without shadows

The OWM1000 projector wall mount for the Optoma ultra short throw projector features a high quality telescopic arm and adjustable mounting plate for perfect installation with a screen or interactive whiteboard in education or corporate environments.

## EASY INSTALLATION

A single installer is able to attach the wall mount to the wall to ensure a safe and secure installation for the projector.

## SCREEN SIZE

Ideally suited to the Optoma ultra short throw projector giving a maximum projected image of 100".

## FLEXIBILITY

To fit a variety of different screen sizes using the telescopic mount with multiple locking points. Universal mounting plate provides the flexibility for the mount to fit other brands of ultra short throw projectors.

## ADJUSTMENT

The mounting plate can be adjusted horizontally and vertically for fine adjustment for projection on to a screen or interactive whiteboard.

## CABLE MANAGEMENT

Cleverly designed to ensure cables are concealed to ensure a neat, tamper proof installation.

## PROFESSIONAL FINISH

Once the installation is complete a wall plate gives the mount a professional look in any room.
